

CCA Athletic Booster Club Meeting Minutes

October 12, 2016; 6:00pm

CCA High School Commons

Present: Cindy & Les Baumbach, Coach Adam Endres, Coach Kyle Forness, Laurie Haman, Bryan Mougín, Tracy Murphy, Maureen Navara, Kurt Ronnfeldt, Glenda Smith

Agenda

1. Welcome, Bryan Mougín-President

2. The State of CCA Athletics, Kurt Ronnfeldt-Athletic Director

Cross Country

Boys have had a solid season winning 2 meets (Tipton and Oskaloosa). Girls times are getting better, but simply lack the numbers to compete for higher placings.

Our home meet on September 26th was run at Kickers Soccer Complex in Iowa City.

Nice venue. We need to decide a permanent location moving forward.

Conference meet tomorrow at Solon. 3A Regional meet next Thursday at Solon. I think both teams have a good shot at getting kids qualified for state.

Football

It's been a great year. 6-1 overall record. Play at Assumption tomorrow night (Oct 13) and finish at home with Central DeWitt, which is also Senior Night.

If we win both games, we are district champions and would host a 1st Rd game on Friday, October 28th. If we lose a game, we would need some help to get into the playoffs.

Volleyball

19-18 overall record. Tied for 4th in the WaMaC West. Were Champions at the Dunkerton Tournament.

WaMaC Bracket Play is tomorrow night (Oct 13) at Mount Vernon Middle School. This tournament is one of the best conference tournaments in the state. Great measuring stick to where we are for the post season.

We will host 1st round of 4A Regionals vs Western Dubuque on October 19th at 7:00 PM.

Cheer/Dance

Dance Team has performed at the last two football games and will continue throughout the basketball season. They have their first competition on Saturday, October 29 at CR Prairie.

We are trying to start a cheer program for the winter sports season. We will see how the numbers go. Need to sustain the program from year to year.

JH Sports

We had great numbers for football, volleyball and cross country teams. Kudos to the great job by our coaches managing those numbers.

Development, learning, and fun are the most important things for JH sports. That being said, our JH football teams went a combined 12-0 this season.
